

Book a holiday for your pet

HAVE you got the perfect holiday planned, but don't know what you're going to do with your beloved family dog while you're away? Then 'Don't Fret Pet!' is the perfect solution.

Don't Fret Pet! is a dog-minding service that will find your dog a suitable home while you're away — giving your dog all the attention and care that he or she is used to and, at times, even a little more!

The simple process begins with Don't Fret Pet! asking you all about your dog in order to find the best-matched home. Don't Fret Pet! will find out what type of breed your dog is, how old it is, its eating habits and sleeping requirements, plus its behaviour around children. Once all the details are gathered, Don't Fret Pet! will then search for the local minder best-suited to your dog.

Minders include families with children, retired couples and dog owners who like to have a companion for their own pet. A meeting is arranged between you and the minder and, if both parties are happy with the match, the booking is arranged.

The service is charged at a nightly rate and provides a money-back guarantee if you're not happy. Stays can be as short as one night or as long as 12 months, and discounts apply for longer stays. For pets that prefer to stay at home, Don't Fret Pet! also offers a 'mobile minder' home-visiting service.

Most importantly, dog

owners can rest assured that their four-legged friends are being loved and cared for while they are away, which makes for a perfect holiday for both the owners and the pet.

Become a Don't Fret Pet! minder

In recent years, it has been discovered that caring for a pet can do wonders for your health. The problem for many people is that they don't want to be tied down to owning an animal — or the expense that goes with it.

In Tokyo, pet lovers can rent a dog by the hour, but here in Canberra, Don't Fret Pet! has a different solution! Don't Fret Pet! offers a dog-minding service for owners who can't look after their dog because they're moving house, going on holidays or away on business.

By joining Don't Fret Pet! as a minder, you will offer your home as a suitable, caring environment for a much-loved pooch. The owner will bring everything that's required for the dog, including food, bedding and toys, so all you need to do is love and care for the dog. Secure fencing is a must and you'll be paid a small daily allowance.

If you or someone you know wants to become a Don't Fret Pet! minder and would like more information, call 1300 307 021 or go to www.dontfretpet.com.au
