

Don't Forget Your Pets, These Holiday!

If you are like most pet owners, taking holidays or going away can create the worry of ensuring your pets are cared for in the same manner you care for them yourself.

Ralf & Will Munson of "Don't Fret Pet!" Sunshine Coast were faced with this exact dilemma. It was from investigation into pet care available on the Sunshine Coast that they found, and consequently purchased the franchise for, "Don't Fret Pet!"

"Don't Fret Pet!" caters for all kinds of pets. For the canine Furkids who are used to being involved in everything you do, "Don't Fret Pet!" has a unique dog minding service that ensures the much loved 4-legged members of the family receive plenty of love and attention in the private home of a carefully screened minder. Every one of the "Don't Fret Pet!" team of 60+ minders is a dedicated animal lover who cherishes the opportunity to have a guest come and stay.

For those pets who are a little more independent and would prefer to stay home, "Don't Fret Pet!" also offers a Home Visiting Service to pamper and care for them in their own environment.

Our screened and police checked, Mobile Minders not only visit your home and give your pets all the care and attention

they need, but they will also ensure all is in good stead around the home. Your mailbox can be emptied, rubbish bins taken in or out, lights turned off/on and your plants watered. Whatever is needed while you are away – it's all part of the service.

For enquiries about either of these excellent services phone "Don't Fret Pet!" on 1300 30 70 21 or visit the website www.dontfretpet.com.au
